

The success of every student matters

Family Outreach Liaison

Advocating for Students and Families

Helping Students Achieve Academic Success

Providing Community Resources

The Family Outreach Liaisons at Fridley Public Schools work to provide resources and outreach services to families that contribute to school success. Family Outreach Liaisons also advocate for families that are underrepresented to ensure that they understand the learning expectations for student achievement and school policies and procedures.

Family Outreach Liaisons:

Family Outreach Liaison Function of Services:

- Locate and mobilize community resources to support educational programs.
- Collaborate with school staff, principals and other personnel to implement promote student learning.
- Organize and coordinate family engagement events.
- Conduct home visits if needed to establish healthy and positive communication between the parent/guardian and school setting.
- Serve with the community agencies to partner with local business and organizations to provide the best resources to fit family's needs.
- Partner with parents/guardian during teacher conference to help better understand student progress.

If you any questions or would like support in any of these areas please contact your school liaison.
