

608 INSTRUCTIONAL SERVICES – SPECIAL EDUCATION

I. PURPOSE

The purpose of this policy is to set forth the position of the School Board on the need for special educational services on the part of some students in the school district.

II. GENERAL STATEMENT OF POLICY

The School Board recognizes that some students need special education and further recognizes the importance of providing a free appropriate public education and delivery system for students in need of special education.

III. RESPONSIBILITIES

- A. The School Board accepts its responsibility to identify, evaluate, and provide special education and related services for disabled children who are properly the responsibility of the school district and who meet the criteria to qualify for special education and related services as set forth in Minnesota and federal law.
- B. The school district shall adopt a Total Special Education System (TSES) as required by state law.
- C. The school district shall ensure that all qualified disabled children are provided the special education and related services which are appropriate to their educational needs.
- D. When such services require or result from interagency cooperation, the school district shall participate in such interagency activities in compliance with applicable federal and state law.
- E. Each building will review this policy and its own inclusion practices during their regularly scheduled International Baccalaureate evaluation process, or on an as needed basis. The review committee will be made up of the building principal, IB coordinator, and representatives from the building leadership team.
